**SOUTH WOODSTOCK.**  
A Heroic Case of Repentance.  
Up in our little village on Saturday  
night, Sept. 2d, a well known citizen had  
taken from his house seven hundred dol-  
lars in cash and checks. About dusk  
the following Sunday night, a slight  
noise was heard in one part of the house  
and a little later the pocketbook with  
funds intact was found near the thresh-  
old of the door leading from the rear of  
the house.  
This thief must have been sincerely  
affected by a sense of guilt and cannot  
be classed among those referred to by  
Solomon when he declared that "The  
robbery of the wicked shall destroy them;  
because they refuse to do judg-  
ment." Such instances are rare in  
Woodstock.

Our several apple kings in this section  
of the town will have quite an abundant  
harvest this fall, and a very good crop is  
reported throughout the town.

Many from here attended the annual  
Grange field day held this year near the  
head of Lake Christopher, where the

rietor of Cranestone Cottage, E. R.  
Freeman.

Friday evening, Mr. and Mrs. George  
Cushman gave a reception at the home

**Reunion of Veterans.**  
The annual reunion of Co. F, 9th  
Maine, and Co. C, 8th Maine Veterans,  
was held at West Summer on Wednesday,  
Aug. 30. This association and that of  
Summer united.  
Comrade Frank J. Brown presided as  
president of both associations. At the  
business meeting of the two companies,  
C and F, the following officers were  
elected:  
Pres.—Daniel A. Rowe.  
V. Pres.—J. A. Noyes and Frank J. Brown.  
Sec. Treas.—F. L. Wyman.

It was voted to meet next year at  
West Summer, under the management of  
Comrade D. A. Rowe, the new president  
of the association.

A bountiful dinner was spread in the  
vestry of the church by W. A. Barrows  
Relief Corps, the ladies furnishing every-  
thing that the stomach could wish.  
About 150 sat down to the tables. The  
vestry was decorated with red, white  
and blue tissue paper, numerous flags  
and beautiful bouquets.

After dinner all marched up into the  
church to the music of life and drum  
played by Comrades Warren and Bridg-  
ham of Buckfield. Fine music was fur-  
nished by the West Summer choir who  
gave to us the old war songs of '61  
and '65.

A portion of the time was taken up by  
the veterans in short speeches, and then  
Hon. John P. Swasey was called on as  
the speaker of the afternoon. He dwelt  
on the glory and prosperity of the country  
brought about by sacrifices of its citi-  
zen soldiers in the great conflict, but  
said he wanted the country to do some-  
thing more. He wanted it to provide  
well for those of its defenders who still  
remain alive, in providing liberal pen-  
sions. We all had confidence in his talk  
on this subject, because we all know of  
his loyal action in defending the Sullow-  
ay pension bill in Congress.

The reunion of the two societies closed  
its very interesting exercises by singing  
America.

Walker, went to Lewiston Tuesday. Little

of Shelburne, N. H., a younger brother,  
the Rev. S. H. McKeen of Woodrill, N.  
Y., and S. H. McAllister of No. 4, Lovell.

It was a joyful occasion as it was the  
first time for several years that so many  
of the family have met together with the  
aged mother.

Pomona met with Suncook and Kezar  
Lake granges in a union meeting at the  
hall Aug. 23. The Pomona officers pres-  
ent were:

The Rev. W. A. Frost of Mountain Grange  
Sec., F. J. Murch, North Baldwin.

Four candidates were instructed in the  
Pomona degree. A fine dinner was  
served which was a credit to the com-  
mittee in charge. The program in the  
afternoon was excellent, consisting of  
songs by the choir, a discussion of the  
question, What is the most useful in-  
vestment on the farm; piano solos by  
Mrs. Helen Garcelon; songs by Mrs.  
Bertha Keniston; singing by Kezar Lake  
Male Quartet; remarks by visiting mem-  
bers, etc. There were grangers from

**OTISFIELD.**  
Marion Elena Davis.  
"Twas at thy door, O friend, and not at mine  
That with the amaranthine wreath,  
Pausing, descended, and with voice divine  
Whispered a word that had a sound like  
death."

The angel "with the amaranthine  
wreath pausing, descended," and little  
Marion Davis, the two-year-old daughter  
of Mr. and Mrs. Edwin Davis of Otisfield,  
after a long illness passed away Sunday  
morning, Aug. 27th.

Early in May it became evident that  
the child was not well and after a hurried  
consultation she was taken to the  
C. M. G. hospital at Lewiston, where  
she underwent two operations in less  
than a month. In the latter part of  
June in a critical condition she was  
brought home, where she gained a little  
until the first of August, when she un-  
derwent a third operation from which  
she gradually failed until the end came  
Sunday morning.

During her entire illness of four  
months, she was tenderly cared for day  
and night by a loving mother, and every-  
thing that medical science or a mother's  
love could do was done.

Marion Elena is survived by a twin  
sister, Marjorie May, so much her coun-  
terpart that only her own people could  
tell them apart.

They were beautiful children so devo-  
ted to each other that wherever one was  
found the other was sure to be, and the  
separating of these little ones casts a  
gloom not alone in the immediate family  
circle but throughout the entire com-  
munity.

This little bud lovingly mourned for  
here, has gone to fairer fields and a bet-  
ter life.

"There is no death," what seems so is trans-  
ition;  
This life of mortal breath  
Is but a suburb of the life elysian,  
Whose portals we call Death."

Mrs. Gilman Nutting is in very poor  
health.  
Arthur Smith is working in Harrison  
corn shop.

**Women as Well as Men are Made Miserable  
by Kidney and Bladder Trouble.**  
Kidney trouble preys upon the mind,  
discourages and lessens ambition; beauty,  
vigor and cheerfulness soon disappear  
when the kidneys are out of order or dis-  
eased.  
Kidney trouble has become so prevalent  
that it is not uncommon for a child to be  
born afflicted with the weak kidneys. If the  
child urinates too often, if the urine scalds  
the flesh, or if, when the child reaches an  
age when it should be able to control the  
passage, it is yet afflicted with bed-wet-  
ting, depend upon it, the cause of the diffi-  
culty is kidney trouble, and the first  
step should be towards the treatment of  
these important organs. This unpleasant  
trouble is due to a diseased condition of  
the kidneys and bladder and not to a  
habit as most people suppose.  
Women as well as men are made miser-  
able with kidney and bladder trouble,  
and both need the same great remedy.  
The mild and the immediate effect of  
Swamp-Root is soon realized. It is sold  
by druggists, in fifty-cent and one-dollar  
size bottles. You may have a sample bottle  
by mail free, also a pamphlet telling all  
about Swamp-Root, including many of the thousands of testi-  
monial letters received from sufferers  
who found Swamp-Root to be just the  
remedy needed. In writing Dr. Kilmer &  
Co., Binghamton, N. Y., be sure and  
mention this paper. Don't make any  
mistake, but remember the name, Dr.  
Kilmer's Swamp-Root, and the address,  
Binghamton, N. Y., on every bottle.

# Woman's Danger Periods Made Safe

By Lydia E. Pinkham's Vegetable Compound

The Change of Life is the most critical period of a  
woman's existence, and neglect of health at this time  
invites disease.

Women everywhere should remember that there is no  
other remedy known to medicine that will so successfully  
carry women through this trying period as Lydia E.  
Pinkham's Vegetable Compound, made from native roots  
and herbs. Here is proof:

Natick, Mass.,—"I cannot express what I  
went through during the Change of Life before  
I tried Lydia E. Pinkham's Vegetable Com-  
pound. I was in such a nervous condition I  
could not keep still. My limbs were cold. I  
had creepy sensations and could not sleep  
nights. I was finally told by two physicians  
that I had a tumor.

"I read one day of the wonderful cures made  
by Lydia E. Pinkham's Vegetable Compound  
and decided to try it, and it has made me a well  
woman. My neighbors and friends declare it  
has worked a miracle for me. Lydia E. Pinkham's Vegetable  
Compound is worth its weight in gold for women during this  
period of life. If it will help others you may publish this  
letter."—Mrs. Nathan B. Gorton, 51 No. Main St., Natick, Mass.

## ANOTHER SIMILAR CASE.

Cornwallville, N. Y.,—"I have been taking  
Lydia E. Pinkham's Vegetable Compound for  
some time for Change of Life, nervousness, and  
a fibroid growth.

"Two doctors advised me to go to the  
hospital, but one day while I was away visiting,  
I met a woman who told me to take Lydia E.  
Pinkham's Vegetable Compound. I did so and I  
know it helped me wonderfully. I am very  
thankful that I was told to try Lydia E.  
Pinkham's Vegetable Compound."—Mrs. Wm. Boughton,  
Cornwallville, N. Y., Greene Co.

The makers of Lydia E. Pinkham's Vegeta-  
ble Compound have thousands of such letters as those above—  
they tell the truth, else they could not have been obtained  
for love or money. This medicine is no stranger—it has  
stood the test for years.

For 30 years Lydia E. Pinkham's Vegetable  
Compound has been the standard remedy for  
female ills. No sick woman does justice to  
herself who will not try this famous medicine.  
Made exclusively from roots and herbs, and  
has thousands of cures to its credit.

Mrs. Pinkham invites all sick women  
to write her for advice. She has  
guided thousands to health free of charge.  
Address Mrs. Pinkham, Lynn, Mass.

## In the Agricultural Building.

The halls were busy places commencing with Saturday. Monday it was more so. A large number of people, but a lot of labor and good management, order was evolved out of chaos, and out of a bewildering mass of displays of beauty that were gazed at and admired by thousands. The new hall superintendent, Leon A. Brown, had a lot to do, and every where, everywhere was where he was wanted at one time.

There was much friendly rivalry in preparing the Grange exhibits. Occasionally while the exhibits were being put up those in charge would take a momentary glance at the neighbor's display to see how things were progressing. The designs for these Grange exhibits are all thought out carefully in advance, and it is doubtful if any change is made after the influence of what another Grange is doing.

It would not be human nature not to be interested to compare the work all going on in the limited time does not admit of looking about.

W. O. Frothingham, secretary, is a busy man though he has his work of the fair well in hand. The entry clerks for the hall are Mrs. Lizzie Edgerly, Mary Abbott and Mary Pierce; for stock, Stanley M. Wheeler of South Paris and W. A. Lane of Norway.

Grades 1 to 9, the Norway Lake school and the Norway High school, have exhibits of drawing and painting; their school work. The wall the length of the upper hall is covered with their work. Work by several pupils of the same study are shown side by side. That of Grades 1 and 2, and the High school's and Norway Lake are side by side, and shows the improvement as the student advances.

The fruit this year is abundant and the individual specimens fair to look upon. The fruit certainly looks good.

Four Granges have space. The Norway Grange has white and light olive green, with elements in flower. Hop vines and the vines from their orchards. The committee are Mrs. Trowbridge Crocker, Mrs. Frank Packard, Mrs. Mellie Dunham, F. P. Towne and W. O. Perry.

West Paris Grange's decorations are white and blue. Two bells of hyacinths are suspended from green and white rosettes and a hydrangea star is over the front center. The front lambrequins are in loops made of ropes of the colors. The committee are Charles Dudgeon, E. K. Barrows, Harris Ellingwood, and Nellie Barrows.

Frederick Robie Grange of Otisfield has decorated in white, blue and corn color and incidentally bouquets of grasses, sweet corn and cranberries. The committee are Mrs. Ella Millett, Mrs. A. R. Whitman, Mattie Greenleaf, A. N. Stearns, W. A. Brett and J. E. Ordway.

Paris Grange's decorations have a background of pure white. Traces of yellow and red are prominent. Autumn leaves and asparagus are profusely used. The committee are Mrs. Mary Swift, Mrs. Lizzie Boutelle, Mrs. Rose Swan, George Boutelle, Ambrose Swift and Henry Hammond.

Mrs. K. Karin, Orientalist of Lawrence, Mass., has lace, embroideries and Mexican work of the best quality. These have a rich effect with these wares.

The general exhibits of fancy articles is sufficed by this white sash curtains. The upper part of the window white, with a diamond in the center for light. The decorations are white and blue. Mattie Richards and Mrs. Phil Bradley have charge of this department. They are well fitted for the position for they have done this work a number of years previous to the past few years.

L. W. Waltes has a room for Edison Phonographs. The walls are in old gold. Music fills the air from this booth. Mr. and Mrs. Waite, Pearl Cook and Clara Emerson are in charge.

B. C. Lowe of West Paris has carved and painted pictures and frames, pen drawing, crayon, burnt wood and carved work.

Nellie Andrews has seven water colored pictures, the largest of which is a woodland scene. Perhaps the most delicate is "My Rosebud".

Alton Porter, South Paris, field and garden vegetables raised by a boy, W. C. Symonds, Norway, perfectly formed heads of cauliflower and other vegetables and melons.

Fannie Forbes, South Paris, cabbage, parsnips, carrots, etc.; George Clifford, South Paris, enormous squash; ditto, C. S. French, Norway, and pumpkins.

Mrs. Ernest Maxon of South Paris has 29 cans of vegetables, fruit and pickles. A. J. Abbott of Paris, has honey; Loe Gibson, Norway, maple syrup; Mrs. A. M. Dunham, Norway, plain and sage cheese; Mrs. Carrie Maxim, South Paris, domestic butter.

The South Paris Universalists, Norway Congregationalists, Wm. Slater of Portland, Mass., Twichet Bros., South Paris Congregationalists and Lovejoy Bros. serve the hungry with their money's worth of eatables in quick order and good shape.

## How to Keep Out Ham.

In providing for a small family, as a rule, one wishes to have fried ham often, and the cut ham soon deteriorates in flavor. To keep it as good as when first cut slice as much as desired and pack down in a stone jar. Melt some pure lard and pour over the slices, covering deep enough to exclude all air. Take out and fry as needed, and the last cut will be found as delicious as the first.

## How to Clean Tile and Marble.

To clean tiled grates a strong solution of washing soda thickened to make a paste with fuller's earth is excellent. This will easily remove stains or grease, while it is equally efficient in the case of grease spotted marble. The paste should be left on for an hour or two and then washed off with a flannel dipped in a hot lather.

## How to Stretch a Carpet.

In putting down a carpet it is an excellent plan to slide a pair of galloches over the shoes. The rubber enables the carpet to be drawn out and stretched by simply walking or pushing the carpet with the feet from the center to the corners.

## How to Clean Lace.

When lace is soiled, even the finest, such as mouline and point, you can clean it by being careful in this way: Sew the lace upon strips of muslin and roll tightly around a smooth glass bottle and fasten securely. Make a suds of some good washing powder and put the bottle in this to soak for several hours. If the water looks soiled make fresh suds and repeat the process, putting the lace frequently between the fingers and rinse in several waters, then dry the lace on the bottle with a soft towel.

## A Trip to the County Fair.

or Breaking in the Country Lad. Come take a trip with me to the County Fair. We'll have a good time and see all the sights there. Now don't feel embarrassed but sit at your feet. The electricity we will take to be sure that we make no mistake, the gas. Then we'll buy a ticket and enter the gate. But everything here is a way down. So we'll hurry away and find a girl. We will give her a ride on the merry-go-round. The next thing to do is to buy her a ticket. And every half hour this on must repeat. Now then we must have our picnic, our mission. We know we're good looking and can't be mistaken. Just for fun we will have our fortunes told. Perhaps they will tell us we'll never grow old. Next we will order a dinner for four. We'll pay just a dollar and not any more. And now comes the races we'll watch them awhile. Take a seat on the grand stand and be up in style.

And now if you want to keep yourself alive, let me give you a word of parting advice. Don't yield to temptation, pray don't eat. Avoid bad companions
